

You Should Know ALUM'S WORST WORK

Some Mothers, unconscious of the injurious effects of Alum, are daily giving it to their Children by the use of so-called Cheap Baking Powder.

What Mother would do so if she only knew?

Alum's Worst Work is its early harmful influence on the child's digestive organs. Positively Never, should Children of tender years be required to eat it in their food.

Secure your Children against Alum in their food.

W. C. T. U. Column.
We earnestly urge all W. C. T. U. members and others who are interested in the Georgia saloon case to attend the hearing before the commissioners on Saturday, Nov. 10.

We have been encouraged to endeavor to have the "rest and reading room" opened on Saturdays, since it has been suggested to us by some business people, that it would be a good thing for people coming in from the country 'round about, to have the hall to go to. Bethel hall will be open Saturday, Nov. 10, with a welcome to all.

In the United States the school children have saved and deposited to their credit four million dollars since the savings system was first introduced in 1885. We now have the system in 1500 schools in 28 states of this country. The number of schools using this system has increased about 25 per cent since the Geneva World's Woman's Christian Temperance Union convention three years ago. State and local educators and school boards speak highly of its effects. Less cheap candy, gum and cigarettes are bought, and children are more industrious and more truly generous.—Mrs. Oberholtzer

Contest Notice.

U. S. Land Office, Valentine, Nebraska, November 1, 1906.
A sufficient contest having been filed in this office by William F. Swearingen, contestant, against Homestead entry No. 13390, made November 18, 1901, for E25SW1/4, section 18, and E25NW1/4, section 34, Township 34, Range 23, by John Cannon, claimant, in which it is alleged that said land was wholly abandoned said land and changed his residence therefrom for more than six months last past, that the land is not settled upon nor cultivated in good faith as the law requires, and entryman has never established his residence upon the land as the law requires, and he has failed to cure his laches up to this date; and said alleged absence from the said land was not due to his employment in the army, navy, or marine corps of the United States, private soldier, officer, or sailor, during any other war in which the United States may be engaged; said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on December 13, 1906, before the register and receiver at the U. S. Land Office in Valentine, Nebraska.
The said contestant having, in a proper affidavit filed November 1, 1906, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.

REPUBLICANS CARRY CHIO

Elect Entire State Ticket by a Safe Majority.

Columbus, Nov. 7.—The indications are that the Republicans have elected Thompson, secretary of state, and their entire state ticket by a safe majority. Chairman Dick of the Republican state committee said at 10:30 p. m.: "Returns from Republican county chairmen show the election of the entire state ticket by a plurality exceeding 75,000."

Senator Dick, chairman of the state Republican committee, sent the following telegram to President Roosevelt: "Ohio Republican by not less than 75,000 and elects seventeen Republican congressmen, three Democrats, with one district in doubt."

Chairman Garber of the Democratic committee still refuses verbally to concede the election of the Republican ticket, the nearest to that being a statement that the Republican plurality would not exceed 25,000 anyway.

Democrats Win in Oklahoma.

Guthrie, Okla., Nov. 7.—The constitution of the new state of Oklahoma will be written by Democrats. Vernon Whiting, secretary of the Oklahoma Republican central committee, concedes the Democrats 73 delegates, while Chairman Jesse Dunn of the Democratic committee says there will be at least 78 Democratic delegates on the floor of the convention. Republican managers admit that Oklahoma proved a great disappointment. The "unknown" quantity of the Indian territory was a practical concession to the Democrats, but nine Oklahoma districts, counted on by the Republican leaders, were carried by the opposition. The Osage nation elected 2 Democrats. The Indians, as a general rule, voted the Democratic ticket.

Kentucky.

Louisville, Nov. 7.—Returns indicate that the only change in the Kentucky delegation to congress would be in the Third district, where the Republicans have apparently gained a seat. This, with the two they already hold, gives eight Democratic and three Republican representatives. The returns from the Democratic primary came in slowly and only one-fourth of the 119 counties had been heard from, but the returns indicate the nomination of James B. McCreary, the incumbent, for United States senator, over Governor J. C. Beckham, by a majority of about 8,000. For the governorship the race is very close, Samuel W. Hager having only a slight lead over N. B. Hays.

Texas.

Austin, Tex., Nov. 7.—Notwithstanding excellent weather and the efforts of political leaders, the total vote cast was small, comparatively speaking, not exceeding 400,000 votes all told, some 135,000 of which represents the combined vote of the Republicans, the Socialists and the Prohibition party. The balance represents the Democratic vote. The next legislature will be Democratic overwhelmingly, there being only a slight chance for the Republicans to get one member in the lower house out of a possible 128. All Democratic congressmen were elected by good majorities.

South Carolina.

Charleston, Nov. 7.—The election held in South Carolina was without incident and a very small vote was polled. Governor F. M. Ansell (Dem.) and the entire state ticket was elected, the only opposition being J. L. Chandler, who received half a hundred Socialist votes. Seven Democratic congressmen were elected, five without opposition.

Mississippi.

Jackson, Nov. 7.—The election in Mississippi passed off without interest, practically the vote being light in each of the congressional districts. The Democratic candidates were without opposition, the usual off year majorities being given each of them. The constitutional amendments, it is believed, were adopted by a small majority.

Georgia.

Atlanta, Nov. 7.—The only election contest in Georgia was in the First congressional district. Edward (Dem.) was elected by a plurality of about 4,000. The three candidates for judges of the newly created court of appeals were unanimously elected.

Florida.

Jacksonville, Nov. 7.—All the Democratic candidates in Florida are elected. The legislature is probably unanimously Democratic. The proposition advocated by Governor Broward to drain the Everglades seems to be defeated.

Tennessee.

Nashville, Nov. 7.—Reports show Patterson (Dem.), for governor, received the usual off year majorities in middle Tennessee, which indicates his election by from 25,000 to 30,000.

Connecticut.

New Haven, Nov. 7.—Returns show that large Republican majorities have been returned for the entire state ticket, the four district congressmen and for congressman-at-large.

New Hampshire.

Concord, Nov. 7.—Seventy-five towns and wards out of 290 in New Hampshire gave for governor: Floyd (Rep.), 8,002; Jameson (Dem.), 6,415.

Alabama.

Montgomery, Ala., Nov. 7.—Returns indicate an overwhelming victory for the Democratic ticket and nominees for congress.
